

# LIBERTY LOAN COMMITTEE OF MAINE

H. L. EMERY, CHAIRMAN, KENNEBEC COUNTY  
WATERVILLE, MAINE

## *"Honor List" of Litchfield*

The following young men have gone into the service from your town. The list may be incomplete. If you know of other names which should be added, notify your town chairman of the Liberty Loan.

Kendrick, C. M.	Webber, Royal	Godfrey, Ralph
Gilman, J. R.	Spaulding, Donald	Sylvester, Vaughn
Rogers, Austin C.	Ranks, John	Campbell, Onslow
Small, Donald	Larrabee, Phillip	Webber, Lester
True, E. Milton	Mitchell, Arthur	Ridley, Albert
West, William	Tarr, Edmond	
Tucker, J. Richard	Tuttle, Elton	

The following have either died, been killed, or wounded:

Rogers, Austin C. (wounded twice) West, William, (wounded) Webber, Royal, (wounded)

You were one of the loyal "Home Guard" who bought Liberty Bonds of earlier issues. By doing so you helped our boys in France to win the glorious victories of the past weeks when they met the "awful Huns" at Chateau Thierry and started them back on the run for Berlin.

Some of the boys in the above Honor Roll may have been there. The others are on the way. Are you not proud to know that *YOUR* dollars have helped to bring glory to the Stars and Stripes and the high principles for which they stand?

Now, our Government, through President Wilson, asks for more money with which to feed, clothe and equip our greater armies for the coming winter. I am counting on you to again be one of their backers who will *see them through* to Berlin.

I am sure you will make any needed sacrifice to buy the "Fighting Fourth" Liberty Bonds—the safest investment on earth, paying good interest, sure to be above par after the war, and always the very best of security upon which to hire money in case of need.

You must be ready with a "Yes" or "No" when the solicitor calls upon you. Will you not meet him with a "glad hand" and a word of encouragement—and your subscription, making it as large as possible? All solicitors are serving as a patriotic duty, willingly devoting their time and effort without pay.

The Government will record in Washington the name of every buyer of the "Fighting Fourth" Liberty Bonds. I feel sure that your name will be on that "Honor Roll."

The allotment for your town, based on valuation and being assessed in the same proportion of every other town is \$10,900.

Will you not again show your patriotism by helping your town to reach its quota?

Yours for the Fourth Liberty Loan,

HERBERT L. EMERY,  
Chairman Liberty Loan, Kennebec County.
