PURGATORY STATION

LITCHFIELD CORNER STATION

Litchfield Fire Department

Mr. Dan Labbe, Fire Chief

I would like to take this opportunity to express my gratitude to my fellow members of the Litchfield Fire Department -- the Litchfield Fire Department whose members are all volunteers who have dedicated many hours of their time to come to the aide of our citizens of the town of Litchfield. The Department has the skill and pride that it takes to make such a fine-tuned Department and the caring for each other that takes place each time they are called. They have given up time away from their families and other things because of their dedication to the Department.

I would like to thank all the members, old and new, for their time and effort they have given, and I'm "proud" to be the chief of such an outstanding Department.

Thank You Very Much!

Stan Labbe, Fire Chief
