Mr. C. L. Taylor,
Litchfield, Maine.

Dear Sir:

We acknowledge receipt of your order of the 3rd which we will arrange to handle promptly. As these are a special size door they come through direct to us from the Factory, and believe the best we could promise would be delivery sometime during the present month. We have marked our order "rush" and will try to get them through as promptly as possible.

Yours very truly,

L. C. ANDREW
