Tax Inventory and Assessments for the Town of Litchfield, Maine

1884-1890

Book: Tax-10

(Page dimensions approximately 8" x 13 1/4")

This is a hand-written ledger book containing the tax inventories (valuation) and assessments for all taxpayers in the Town of Litchfield. The entries for individual taxpayers are alphabetized within each year.

Each year contains separate listings for resident and non-resident landowners. Assessments for School Districts are included for 1887-1890. The record for tax year 1890 contains only school assessments.

This book was cataloged, microfilmed and digitized in 2012 as a project of the Historical Society of Litchfield, ME and was funded in part by the Maine State Archives' Historical Records Collections Grant Program

Index of Tax Records #10 (Tax-10)

The pages and binding of this book are in very good condition. The pages contain printed or stamped numbering.

This book contains detailed listings of the number of houses, barns, mills, animals, etc. It overlaps with book Tax-9 which covers the years 1882-1888 but which does not contain such detailed information.
