TREASURY DEPARTMENT
WASHINGTON

NATIONAL
WAR SAVINGS COMMITTEE

ISSUED BY
STATE DIRECTOR FOR MAINE

NOTES ON W. S. S. HOUSE-TO-HOUSE WORK.

Local Chairman please read in connection with Bulletin H.J.B. 33 and give one copy to each of his local W.S.S. house-to-house agents.

DETAILS OF HOUSE-TO-HOUSE WORK — FOR ATTENTION OF W. S. S. HOUSE-TO-HOUSE AGENTS.

(1) THE MAILING CARD: "TO THE HOUSEHOLDER."

Before your work begins, a mailing card will be delivered through your postoffice to every family.

See enclosed proof of this card: it is the one addressed "To the Householder."

Please read it carefully.

You will see that each householder is expected to write on his card the names of all persons in his household and to make a check mark against the name of each person who agrees to save for the Thrift and War Savings Stamps.

The householder is asked to hold this card *for you* until you call.

The house-to-house agent, arriving at each house, will ask for this Mailing Card and will see that it has been filled in properly. If not, he will have it filled in while he waits for it. This card represents a request from Government officials for information, and refusals to fill it out are not anticipated. *The agent must keep this card.*

The house-to-house agent will then show his Thrift Card, War Savings Certificate and Stamps. (See also below under headings (4) and (6).)

The agent will then ask the members of the family to purchase Thrift and War Savings Stamps, and will explain the entire purpose of the Stamps as per the official "primer."

(2) "HOME CARD" AND "STICKERS."

Having made his sales, *and collected the Mailing Card*, the agent will give to the head of the family a "Home Card," carrying large letters "W. S. S." This card is to be placed in the window exactly as the Food Conservation Card is used.

You will find enclosed a sample of this "Home Card." Each local chairman will receive a supply of these Home Cards equal to the number of families in his community, and will divide them among the W. S. S. house-to-house agents so that each agent will have enough for his needs (one card for each family that he will call upon).

The agent will find among his supplies, and contained in a pocket-book or folder, filled with oiled paper sheets, a supply of large printed numbers, running from "one" to "ten" inclusive. These are printed on gummed paper, with scored lines between numbers. The agent will note the number of persons at the house where he is calling who are buyers of the stamps, and he will please tear off from the gummed paper strips a number corresponding to this number of buyers, and he will paste this number on the Home Card in the blank space *under* the W. S. S.

With the numerals printed on gummed paper, the agent will also find a supply of printed stars. If every member of the family has purchased Thrift Stamps or War Savings Stamps, the agent will please paste one of these stars in the blank space *over* the W. S. S. to indicate that that family is doing its full share and has received this "star rating."

The agent will note that the other side of this "Home Card" carries a large question mark. Please ask the family to display this side (with the question mark) whenever they wish to purchase stamps. It will serve as notice to agents, boy scouts and others who have stamps for sale, to call and make a sale.

Please be careful to remember that the agent:

(a) collects the mailing card "To the Householder," and keeps it in his possession.

(b) leaves with the family one of the "Home Cards."

(3) SALES AND PLEDGE REPORT SHEETS.

In all cases, whether a sale of stamps is made or not, the agent is requested to secure from all persons, whenever possible, a promise or pledge that they will save and buy, during the year, as large a value of stamps as their circumstances permit. A column is provided on the "To-the-Householder Card" for an "X" mark to be made opposite the name of each person so pledging and the agent will please mark in also the amount pledged.

The agent will find among his supplies a SALES AND PLEDGE RECORD SHEET. He will please note on this sheet all sales he makes; and whenever he secures any pledge up to $100 he will ask the person making such pledge (for himself or family) to write his name and the amount pledged on this record sheet. The agent will please deliver this record sheet to his local W. S. S. organization to be mailed to State W. S. S. Headquarters.

The $100-$1,000 War Savings Club.

Whenever the agent secures any person's individual subscription of over $100, up to the limit of $1,000, he is to have such person sign one of the $100-$1,000 War Savings Club pledge sheets, and the agent (after recording thereon his own name also) will deliver this signed pledge to his local W. S. S. organization. The agent will in such case merely note this transaction on his "Sales and Pledge Record Sheet" in his own handwriting—and he will ask the person pledging to keep the stub of the "$100-$1,000 Club" pledge and to sign and forward it when he has fulfilled his pledge.

(4) W. S. S. CERTIFICATES AND THRIFT CARDS.

Each agent will also receive a supply of War Savings certificates and Thrift Cards. One certificate is to be given to each purchaser of a War Savings Stamp (which is worth $5.00 on Jan. 21, 1923), unless the purchaser already has a certificate.

The agent will also receive a supply of Thrift Cards and one Thrift Card is to be given to each purchaser of a Thrift Stamp (this being the 25-cent stamp), unless the purchaser already has a Thrift Card.

(5) SUPPLIES TO AGENTS.

Each agent will receive, as above, and should carry with him on his calls, one pocket-book of oiled paper sheets with a supply of gummed numerals, etc., as above, one sales and pledge record sheet, a supply of $100-$1,000 W. S. S. Club Pledge blanks, a supply of War Savings Certificates and Thrift Cards and Home Cards, and a "Primer" of information about these stamps.

In addition to these supplies, each agent will have a supply of official "BLUE POSTALS." These are for use in any case where a cash sale cannot be made. The person who cannot buy at the time, will be asked to fill out one of these "BLUE POSTALS" with an order for Stamps, and to sign it and deliver it to the agent, who will then mail it to the *local postmaster*. It requires no postage.

(6) SUPPLY OF STAMPS.

It is very important that each agent should carry with him each day at least a small supply of the War Savings and Thrift Stamps. If he purchases these Stamps himself he runs absolutely no risk, as they are as good as cash in his pocket. As he sells these at the household only for cash, he will have at the end of each day cash with which to purchase a supply for the next day. If for any reason the agent cannot supply himself he is earnestly requested to take up the matter with his local chairman and secure necessary credit with which to purchase a supply of stamps.

Each chairman is requested to make arrangements accordingly, either through his local committee or with the help of local bank or post office.

Very truly yours,

HERBERT J. BROWN,

State Director of War Savings.

FEDERAL COURT HOUSE,
Portland, Maine.
